PROFESSIONAL SUMMARY

Multidisciplinary Product Designer and Design Engineer with **over 20 years of experience** crafting digital products across advertising, gaming, SaaS, and adult entertainment. Proven track record of leading design initiatives for platforms with **20M+ daily users** and driving measurable improvements in accessibility, user experience, and conversion. Strong advocate for accessibility, open source, transparent collaboration, and bridging the gap between design and development.

Seeking remote Senior Product Designer, Design Engineer, or Lead roles in SaaS, open-source, or privacy-focused companies.

CORE COMPETENCIES

- **UX/UI Design:** User Experience, User Research, Interaction Design, Prototyping, Design Thinking, A/B Testing, Accessibility (a11y), Mobile-First Design.
- **Product Strategy:** Product Ownership, Roadmap Planning, Project Management, Agile Methodologies, Team Leadership, Mentoring, UX Auditing.
- **Design & Prototyping:** Figma, Sketch, Adobe Creative Suite (Photoshop, Illustrator, XD), Framer, Webflow.
- **Frontend Development:** HTML5, CSS3, SASS, JavaScript, Vue, Typescript, React, Responsive Design, Browser Prototyping.

- **Other Tools:** Git, Jira, Slack, PHP, Node.js, Gulp, VSCodium, Open-weight LLMs (DeepSeek, GLM).
- **Soft Skills:** Problem Solving, Cross-functional Collaboration, Storytelling, Empathy, Adaptability.

WORK EXPERIENCE

Woodlaine Digital Services | Cyprus / Remote

Head of UI/UX Design | *2022 – 2025*

- Led UI/UX strategy for **AdultWork**, the UK's largest adult entertainment portal with **more than 2 million daily visitors**, overseeing a complete UX audit and redesign of the main product.
- Initiated and managed the design system, ensuring consistency across multiple platforms and improving design-to-development handoff efficiency.
- Took ownership of a sub-product, leading its branding, UI/UX, and frontend development through a successful launch.
- Collaborated with a partnering payment processor, providing UI development support to enhance their integration.
- Managed stakeholder relationships and aligned design initiatives with business goals.

LogMeIn / GoTo / LastPass | Hungary / Remote

Senior Product Designer | *2021 – 2022*

- Served as a key member of a specialized "SWAT" team, tackling high-priority, cross-functional projects.
- Led the **complete accessibility overhaul** for **LastPass**, resulting in a **14% increase in compliance** with WCAG standards.
- Designed and built internal tooling for project development teams, streamlining workflows and boosting productivity within GoTo products.
- Collaborated closely with developers and product managers to ship high-quality features under tight deadlines.

KREA Contemporary Arts Institute | Hungary

Teacher and Faculty Lead for UI/UX Design | *2018 – 2022*

- Developed and delivered the UI/UX curriculum, mentoring students in design thinking, research, prototyping, and frontend development.
- Acted as a faculty lead, coordinating with other instructors and refining the program based on student feedback and industry trends.

IndieBill | Hungary / Remote

Founding Product Designer, Frontend Developer & Product Owner | *2017 – 2020*

- Led a cross-functional team of five (developers, sysadmin, support) to manage daily maintenance and drive major product innovation.
- Orchestrated a **complete refactoring from a monolith to microservices architecture**, improving system scalability and maintainability.
- Built the content moderation flow and software (with a JS developer), defined directives, and trained a team of six moderators.
- Experimented with new product ideas, building prototypes and MVPs to validate concepts based on user feedback and research.

Crytek | Germany

Senior Web Designer & UI Developer (WarFace) | *2016 – 2017*

- Dedicated web designer for the F2P game **WarFace**, managing the game's web hub and creating high-impact campaign landing pages.
- Designed and hand-coded (HTML/CSS/JS) seasonal, story-driven campaign landing pages to hype the community, blending marketing and UX.
- Designed and built the **Warface Auction House**, a player-to-player economy feature, through multiple iterations and in collaboration with a multi-studio, international team.
 - **Result:** Became a massive community success, driving a **30%+ increase in credit sales** and establishing itself as a widely used core feature.

Campoint | Germany

Senior Product Designer (Visit-X) | *2015*

- Spearheaded the **complete redesign** for **Visit-X**, one of the biggest adult entertainment platforms in Germany.
- Focused on user-centric solutions to enhance the overall experience and engagement on the platform.

- Collaborated with stakeholders to define and implement a fresh, modern design direction aligned with business goals.

Docler Holding | Luxembourg

Senior UI/UX Designer (LiveJasmin) | *2013 – 2015*

- Designed for **LiveJasmin**, the world's most popular adult live chat platform with **more than 20 million daily visitors**.
- **Redesigned the mobile experience**, creating cutting-edge, app-like interfaces for mobile web to bypass app store restrictions.
- **Refined the payment system** through A/B testing and research, making the critical in-show credit purchase process faster and more intuitive.
- Led the design process for "**LiveJasmin Goes Glamorous**," defining a new product's visual style and user flows to target a mainstream consumer market.

Karmamedia | Hungary

Senior Art Director | *2013*

- Worked with major brands like **Telekom, Snickers, Whiskas, Pedigree, Tesco** as a Senior Art Director, creating compelling digital campaigns.

Possible CEE | Hungary

Digital Designer | *2011 – 2012*

- Worked with major brands like **CitiBank, Telenor, Hauser, Nivea, MOL, Telekom** as a Digital Designer, creating compelling digital campaigns.

RedWorks / Ogilvy | Hungary

Digital Art Director | *2010 – 2011*

- Worked with major brands like **Milka, Generali, Erste Bank, CIB Bank, Dove and Nivea** as a Digital Art Director, creating compelling digital campaigns. **Two of my projects were honored on the Hipnozis Advertisement Awards.**

Magnet-X 2000 | Hungary

Graphic & Web Designer, Frontend Developer | *2010 – 2011*

- Worked in tandem with a backend developer providing digital solutions for government agencies and the local municipality office.

Eyedea | Hungary

UI Designer & .NET Developer | *2008 – 2009*

- Worked in a team of three in early adoption of Microsoft Silverlight creating the digital version of Hungary's most important historical codex with close collaboration with Microsoft.

Microsoft | Hungary / Remote

Student Consultant & Web Designer | *2006 – 2008*

- Organized events and activities for developer students and supporting the programming teachers.
- Built several community forums on asp.net platform with close collaboration with Microsoft.

Awknet | Hungary / Remote

Web Designer & Full Stack Developer | *2005 – 2007*

- Main responsibility was to deliver full stack PHP projects in various areas as only developer and designer, also supporting the sysadmin in Linux server administration.

SIDE PROJECTS

Lost Signals

Founder & Developer | 2026 – Present

- Building FOSS web applications to solve personal and community needs. Examples include:
 - [Ghosted](#) (*public beta*) – A simple job application logbook.
 - [Kaja](#) (*coming soon*) – A neurodivergent-friendly meal tracker with AI assistance.
 - **Keret** (*coming soon*) – A simple GitHub Pages-hosted photo gallery for amateur photographers.

Pandastic Creative Studio (HU)

Founder & Lead Designer | *2012 – 2014*

- Founded a creative studio, managing client projects and delivering design solutions across various media. Worked with major brands like Absolut Vodka, Volvo, MacWorld, Apple, Canon.

EDUCATION

Apolka Art School (HU)

Graphic and Brand Design | *2009*

Pannon University (HU)

Completed coursework in Programmer Mathematics | *2005 – 2008*

- Left to pursue a successful freelance career as a full-stack web developer, building on early professional experience at Microsoft and Awknet.

József Jách Technical High School (HU)

Faculty of Architecture | *2001 – 2005*
